About Warrior Football

Warrior Football started at the varsity level in 1992. In the 30 years since it's first season the program has grown to tremendous heights. After struggling through the 1990's the team has reached the post season for 19 straight seasons. The Warrior football program has become one of the most successful teams in the Lackawanna League.

Go Warriors!

About the Camp

The Warrior Football Camp is a great opportunity for young players to learn basic skills and fundamentals that are necessary for playing football. It is a camp that is filled with a good mixture of work and fun. We are very fortunate that we have several *present and former players* that help out and make this camp enjoyable for the kids who attend.
