

Delaware Valley Career
Tech
Preschool Program

May 17, 2022

Dear Parents,

Welcome to the Delaware Valley Career Tech Preschool Program. This is just a note to welcome you and tell you a few things before school starts on **Tuesday September 20, 2022**. We have two classes available. The preschool AM class will run from 9:00am to 11:15am; the PM class will begin at 12:00 pm and end at 2:15 pm.

Class choice will be a first come first serve basis. Preschool will meet each Tuesday and Thursday following the school district calendar available on the DVSD website. Bring your child to the preschool room through the door adjacent to the playground. Pick up will take place outside the same door. We will open the door and excuse students to their respective parents or carpool. If someone else is picking up your child please let us know in writing, in an emergency call the school 570-296-1850 ext. 7259 and leave a message.

Please complete the attached information sheet along with your class preference and send it to me by **July 1, 2022** via email: FarrJ@dvsd.org. It is important that I have this as it contains valuable emergency information. **Please include a copy of your child's updated medical records and immunizations from your doctor or clinic.** This information is required by the state and your child **will not be permitted** in preschool without it. Please give us (in writing) any information you feel may be helpful to us in making your child's adjustment to our preschool an easy one.

We ask that you provide a small snack and drink for your child daily. We ask that you bring a change of clothes in a labeled Ziploc bag for your child. We will store these within the classroom in case of an accident and return them at the end of the school year.

Sincerely,

Jill Farr
