Grey Towers Legacy Scholarship

A Forest Service First

Milford, PA, October 24th, 2023—During the early 20th century, James and Gifford Pinchot used Grey Towers and the environs to establish scientific forestry, to develop conservation leaders, and to formulate conservation principles. In an effort to continue this Pinchot Legacy, the Grey Towers Legacy Scholarship was created to support the pursuit of new ideas, strategies, and solutions in the fields of natural resources, science, economics, ecology, education, and social sciences.

The scholarship is open to graduating public high school seniors with a 2.5 GPA pursuing a career in natural resources, science, economics, ecology, social science, and/or education at an accredited 2-year or 4-year university, community college, or technical school. The selected student's continuing education enrollment can be full-time or part-time. To apply, the student must currently reside and attend a public high school in one of the following counties:

- Pike County, Pennsylvania
- Monroe County, Pennsylvania
- Wayne County, Pennsylvania
- Western Sussex County, New Jersey – *Extending as far east as Newton, New Jersey*
- Western Orange County, New York – *Extending as far east as Middletown, New York*

The scholarship will also be open to graduating students currently attending a Forest Service operated Job Corps Civilian Conservation Center.

Applications can be submitted from **November 3, 2023**, to **February 2, 2024**. Interviews will take place in late March 2024, and recipients will be notified by April 1, 2024. Scholarships will be disbursed to institutions on May 1, 2024. Applications and full requirements can be found at www.greytowers.org.
