## Delaware Valley Profile

School:	Delaware Valley High School houses grades 9, 10, 11 and 12 with an enrollment of approximately 1,500 students. College-bound students may choose from a cross-section of rigorous academic programs. Business students, in addition to taking required courses, are exposed to a computerized data center. Senior students who met certain academic criteria may take advantage of the high school's work-study programs. These programs give students actual on-the-job training in areas they may pursue after completing the high school diploma requirements. Delaware Valley High School has its own Career Technical Education department, which provides training in eight career areas: Automotive Mechanics, Building Construction Occupations, Culinary Arts, Diversified Occupations, Early Childhood Education, Electrical Occupations, Healthcare Careers, and Marketing and Business. Students elect to participate in the career-technical program three periods a day and attend the academic programs for the remainder of the day. Approximately 69% of the Class of 2023 is attending institutions of higher learning.
Awards:	34 CTE students scored Advanced on their NOCTI exams and earned PA Skills Certificates Named "Best Community for Music Education" for the 10th year in a row DVHS Om Program had 3 teams place in the top 10 at the World Finals in Michigan 40 regional Scholastic Art Awards winners, two American Visions award winners and one National Scholastic Art Silver Medal recipient 22 FBLA members qualified for Nationals, DV FBLA student elected as State President for the 23-24 school year and our advisor named PA FBLA Advisor of the Year DVHS Journalism students won first place in the American Scholastic Press Association Annual Newspaper Review and Contest for the third year in a row DV Athletics produced 4 League Championships and 7 District Championships Niche ranked DVHS as one of the best high schools in America

## GRADUATION REQUIREMENTS

In order to qualify for graduation from Delaware Valley, a student must earn a minimum of 21 credits:

4 credits of English  
4 credits of Social Studies\*  
3 credits of Science  
3 credits of Math  
2 credits of Humanities  
4 years of Physical Education, Health & Driver Education  
5 credits of Electives

\*Includes 1 credit satisfied by passing 1 credit of the Humanities requirement (via passing band, art, family and consumer sciences, or foreign languages)

All students must complete a research project prior to graduation. Project must be developed according to the standards defined by the English Department.

A student's class rank is compiled at mid-year and at the end of each school year. The primary use of a class rank is for college entrance applications. Class rank is calculated by averaging all grades received from the start of the ninth grade to the time the class rank is being calculated.
