After selecting “Registration” on the DVSD homepage you will have access to the screen pictured below. Click on the “Create Account” button in order to begin the new student registration process online. Enter the information that is requested. **This account is meant to be created by an adult family member.** It is important to create only **one account per household** so that the system will be able to save and access your information correctly.

This entrance is off the Middle School parking area of the campus on Routes 6 & 209 approximately 4 miles north of the Borough of Milford, Pennsylvania. In the event of incomplete forms or missing documents, all materials will be returned until all the required elements are complete.
