## Parent Request for Reconsideration of Library Materials

Library materials are optional resources and are not required. Parents have the ability to monitor all materials signed out of the library by their child via the Destiny online library system. We encourage parents and children to discuss their children's reading interests.

Our libraries do not condone censorship or restricting the rights and freedom to read of others. Objections to materials will be considered but do not guarantee the removal of these materials from the collection. Requests to remove an item can be made by completing this form and returning it to your child's school librarian or principal.
