THE SUPER BOWL BY ANGELO

In the NFL there are two teams remaining and they're the Cincinnati Bengals and the Los Angeles Rams. Both are competing in the NFL'S biggest game of the season, The Super Bowl. These two teams have worked so hard this season to get to this point

and both teams will not go down without a fight. For the Rams they have a bit of an advantage over the Bengals since they are playing in their home stadium, still it will be an awesome game to watch. If I, were you, I would not miss this Sunday!

In the Super Bowl the Rams had a very very close win against the Bengals 23-20. The MVP of the Super Bowl was Cooper Kupp of the Los Angeles Rams. Cooper Kupp in the postseason had 42 targets, and an incredible 33 receptions, 478 yards, and an unbelievable 6 touchdowns. It was an amazing season for the Cincinnati Bengals and Joe Burrow they just fell a little short of glory. The 2021 Super Bowl Champions the Los Angeles Rams.

3. Avoid products with palm oil. ...
4. Make sure mama's coffee is Rainforest Alliance certified, to ensure that forests were not destroyed to make room for coffee plant.

Grab a tiger color sheet located on the table in front of the library.

Kindergarten also celebrated the 101 Day of School by Addison

The kindergarten team and their students decided to dress up as the 101 Dalmatians, to celebrate the 101st day of school. They got the idea online, of course! It was the first time the kindergarteners were dalmatians, and it was also first time celebrating 101st day of school. The kids wore adorable ears, shirts, and black pants to dress up as dalmatians. Some of the parents helped the teachers with the ears and shirts. There were about 70 kids dressed up as dalmatians puppies on the 101st day of school. During the day they watched some of the 101 Dalmatians movie and did some 101 Dalmatian activities.

A Book Review

By: Emma

I think you should read this book, *Dear Mr. Henshaw*

It's a book about a boy named Leigh Botts who must write to an author for a school project, so he chooses his favorite author, Boyd Henshaw. A kid in his class keeps stealing his food from his lunch, and he tries to make an alarm for his lunch bag. If you would like to know more about the book, you should read it. It's a really good book, I promise!

***Dear Mr. Henshaw* and other great books are available in our school library! Check it out!**

Hello DVES,

Do any of you have a pet?

If you do, you may have gotten him or her from an animal shelter. The staff and volunteers work tirelessly to rescue and help animals. You can help too; you can send in one or a few items from the list down below or money and put it in the bin by Ms. Monahan's 5th grade classroom. You may also send in lightly used items. All items will go to Pike County Humane Society and help the staff greatly. The toys will make the animals happy!

Also, if you or a family member are 14 and up you can be a volunteer and help at the shelter.

You may bring in your items, and put them in the bin on Tuesday, March 1, 2022. All items will be delivered on Friday, April 1, 2022.

Thank You, **Helaina**

The History of Star Wars by Rocco

Star Wars is a space battle between good and bad created by George Lucas. *Star Wars* was created on May 25, 1977. The first episode was called *Star Wars*,

it was later to be called *New Hope IV*. It had two sequels *The Empire Strikes Back* and *Return of the Jedi*. People call these three episodes “The Original Trilogy.”

George Lucas decided to make three prequels, *Phantom Menace*, *Attack of the Clones*, and *Revenge of the Sith*. George Lucas decided he was getting too old for this, so he created a partnership with Disney.

After that both Disney and Lucas Films made three sequels, *Force Awakens*, *Last Jedi*, and *The Rise of Skywalker*. Disney made side shows such as *The Mandalorian*, *Book of Boba Fett*, *Obi-Wan Kenobi*, and *Bad Batch*. Lucas Films also made side shows which are *Rogue One* and *Solo*.
