

## **Ms. B.'s Buzz**

Dear Parents,

The end of the school year is here! It was an amazing year, thank you for your unlimited support. We appreciate your efforts and recognize our success is a result of the partnership shared with our school community. School should be the place where children are valued, have opportunities for success and are encouraged to make good choices every day. Thank you for making Dingman-Delaware Primary an exceptional school in Delaware Valley School District!

**Remember school will be closed Friday, May 24 through Monday, May 27, in observance of Memorial Day. School will reopen Tuesday, May 28. Field Day will be held Tuesday, May 28, please make sure your child wears sneakers to school and packs a lunch!**

During the summer months, please remember to read with your child and encourage them to practice math skills. Our kids accomplished remarkable tasks this year. Keep them learning all summer long – read menus, brochures, directions, play games, make crafts, count steps, count cars, and visit the local libraries and parks!

On behalf of the faculty and staff, I wish you and your family a wonderful, relaxing and fun summer. Take time to enjoy your children and appreciate their talents. Good luck to our second graders moving on to the elementary school and those students leaving our school district.

Thank you for sharing your children with us!

Kimberly A. Butaitis  
Principal
