

What's Happening in Math & Science?

Friday, September 13, 2019

Next Week in Math...

We will continue to work through Chapter 1 - Place Value, Multiplication and Expressions. Basic fact mastery is key to the smooth progression of these skills. Students who struggle with basic facts will experience more difficulty and possible frustration as we dive into next week's skills. We will take our first timed quiz next week, which will count as a grade - remember, I drop the lowest of these scores for the marking period.

Next Week in Science...

We will continue to work through our unit, "Weather on Earth."

Reminder: Week 4 Homework ("One Way Nature Recycles") is due Friday, 9/20! Students should have it submitted on Google Classroom by 9:10am on that day.

Next Week's Tests and Quizzes:

Both Classes:

NONE! ☺

Rotation Schedule:

Monday: Day 5
Tuesday: Day 1
Wednesday: Day 2
Thursday: Day 3
Friday: Day 4

A Note from Mrs. Towle...

Another great week in fifth grade! I have truly enjoyed getting to know this kiddos more and more each week! ☺

Reminders...

- If you have not yet connected with me on Class Dojo, please do so! If you need another copy of your child's code, please email me to let me know.
- If you have not set up a Quizlet account for your child yet, please do so! It really is a GREAT tool to help students study their vocabulary terms! Students should be studying their vocabulary at home. (There is a quiz at the end of each chapter.)

If you have any questions or concerns, please do not hesitate to be in touch!

Upcoming Events:

Sept 19th - Picture Day! ☺
Oct. 1st - PTA Meeting @ 6pm
Oct. 11th - Harvest Hoedown
Oct. 25th - Reflections Submissions Due
Oct 25th - Trunk or Treat @ 5pm

Have a great weekend! ☺
