

What's Happening in Math & Science?

Friday, September 6, 2019

Next Week in Math...

We will continue to work through Chapter 1 - Place Value, Multiplication and Expressions. Students will also complete the Classroom Diagnostic Tools assessment; this is given district-wide and similar to the STAR Math Assessment, it does not count towards the students' overall math grade.

Next Week in Science...

We will work through our unit, "Weather on Earth."

Reminder: Week 2 Homework ("Tiny Builders") is due Friday, 9/13! Students should have it submitted on Google Classroom by 9:10am on that day.

Next Week's Tests and Quizzes:

Both Classes:

Tuesday - CDT (Algebraic Concepts)
Friday - Mid-Chapter Checkpoint (1)

Rotation Schedule:

Monday: Day 5
Tuesday: Day 1
Wednesday: Day 2
Thursday: Day 3
Friday: Day 4

A Note from Mrs. Towle...

If you have not yet connected with me on Class Dojo, please do so - it really is a great motivational tool for the students and communication tool for parents/teachers! If you still need to join, I have included your child's code in his/her Friday Folder.

Also included in this week's Friday Folder, is a copy of all paperwork that was handed out at Open House; that way if you were not able to make it (or had too many classrooms to get to and couldn't make it to mine), you are up to speed with everything I talked about.

Students should be studying their vocabulary at home. We will have a quiz at the end of each Chapter. As discussed at Open House (and included in the packet), Quizlet is a GREAT tool to help the students practice/study!

If you have any questions or concerns, please do not hesitate to be in touch!

Upcoming Events:

Sept 2nd - NO SCHOOL! (Labor Day Recess)
Sept. 4th - Open House @ 7pm
Sept 19th - Picture Day! ☺
Oct. 1st - PTA Meeting @ 6pm
Oct. 11th - Harvest Hoedown
Oct. 25th - Reflections Submissions Due
Oct 25th - Trunk or Treat @ 5pm

Have a great weekend! ☺
