

Audrey Djiya, a senior at Delaware Valley High School, is more involved than most students her age. Djiya is the vice president of Student Council and is a member of National Honor Society, Mu Alpha Theta, Rachel's Challenge, Chamber Choir, Drama Club, Peer Buddies, Peer Mediation, Teens Against Tobacco Use, Future Business Leaders of America and Broadcast Del-Val. She was also recently honored as an AP Scholar with honors. "School-related

activities have allowed me to feel a sense of school unity, meet unique new people and exercise my leadership skills," Djiya said. She is also an avid volunteer. For the past two summers, Djiya attended a missions/community service trip to Jamaica. Furthermore, she volunteers at the soup kitchen for Thanksgiving and Christmas and at the Veteran's and Senior Citizen's dinners. "Nothing feels better than seeing the smiling faces of those who I have helped in some way," Djiya said. "Many of us take for granted the things that those would do anything to have." Djiya wants to be remembered as someone who is kind and is always willing to give a helping hand.

Delaware Valley senior soccer star Jackie Uber is a dedicated student-athlete. According to head coach Donnel Leiva-Vazquez, Uber has so far been the Warriors best and most consistent player on the field. She has taken on a leadership role (captain) and is always trying to improve. Coach Leiva-Vazquez said, "Jackie plays defense and from her reserved position she runs the entire field, starting plays offensively and saving the day on defense." Uber enjoys volunteering at the Eastern Pike kids soccer camp, Relay for Life and local clean-up days. As a junior, Uber was recognized as

the defensive player of the year by the Warrior coaching staff. "Being a part of the soccer program has showed me how to be a leader and how to interact in different situations," Uber said. "Being a soccer player makes me want to succeed more on and off the field." "Her hard work and consistent play has earned her the respect of her teammates and the admiration of the younger players," coach Leiva-Vazquez commented.
