WHAT'S NEW

Diversity Club will meet until 4:30 on Thursday, January 9th in the Library.

Attention Ski Club Members: The first trip to Mountain Creek will be this Friday; departing at 3-pm. Please bring your equipment to S8 directly in the morning. Equipment is not allowed on the bus or in the office. Please see Ms. Gunderman if you have any questions.

There will be a **Student Council** meeting today during 3rd period in the Media Center. Active members should obtain teacher permission before attending. The library will be closed 3rd period today.

DON'T FORGET

Today is the last day for **Special Olympics Volunteers** to return paperwork. Please see Ms. Pousley in R16 with questions.

Mrs. Giordano will be hosting an ice cream social review session in room C20 both today and tomorrow for all current Biology Keystone retesters. All retesters are welcome to attend for a delicious treat and to review biology topics!

Peer Buddies will meet Monday until 4:30 in R16. All are welcome.

Delaware Valley High School will be hosting the **Red Cross Bloodmobile** on Wednesday January 29th from 8:00 AM – 1:30 PM in the Freshman Gym. This is a great opportunity to help maintain an adequate blood supply to our hospitals and communities and currently, there is a critical shortage in our area. Earn your red cord to wear at graduation or a chance to win a scholarship. You must be sixteen or older to donate and all students are required to have a parent's consent. Permission forms can be picked up in either nurse's office. HOSA students will be available soon to provide information and distribute forms during lunches. Let's have a great turnout and meet this year's collection goal!

Please join Scott Post, a student at DVHS, in collecting pop-tabs in efforts to raise money for the Ronald McDonald House Charities. A collection tin can be found in both DVHS faculty rooms. Larger collection buckets are located in 9/10 and 11/12 cafeterias.

AFTER SCHOOL

The Bathroom Paint Project with Mrs. Thompson will continue today, after school in M6 at 3pm.

HOSA will meet today in T1 after school. State Conference registration is open, come for important information.

The **Warrior Martial Arts Program** will meet after school in room R12.

TODAY IN HISTORY

Galileo Galilei

Died **8 Jan 1642** at age 77 (born [15 Feb](#) 1564)

Italian natural philosopher who applied the new techniques of the scientific method to make significant discoveries in physics and astronomy. His great accomplishments include perfecting (though not inventing) the telescope and consequent contributions to astronomy. He studied the science of motion, inertia, the law of falling bodies, and parabolic trajectories. His formulation of the scientific method parallel the writings of [Francis Bacon](#). His progress came at a price, when his ideas were in conflict with religious dogma.

INSPIRATION

“YOU CONTROL YOUR FUTURE, YOUR DESTINY. WHAT YOU THINK ABOUT COMES ABOUT. BY RECORDING YOUR DREAMS AND GOALS ON PAPER, YOU SET IN MOTION THE PROCESS OF BECOMING THE PERSON YOU MOST WANT TO BE. PUT YOUR FUTURE IN GOOD HANDS - YOUR OWN.”

MARK VICTOR HANSEN
