Information for the Summer Fire Academy for High School Students at Sussex County Community College is available in the guidance office.

Any student who has medication in the nurse's office will need a parent or guardian to collect it before the end of the school year. We will not send medication home with students for obvious safety reasons. Asthma inhalers and Epi Pens are the only exceptions. Please remind parents to make arrangements with the appropriate school nurse. Any medication that is not picked up by the last day of school will be discarded.

Anyone taking AP Physics 1 next year should see Mr. Curtis in T4 in the new addition to pick up your summer work. You can also pick it up on the last day of school.

Attention all freshmen who are planning on taking AP World History next year: you may begin picking up your summer work from either Mr. Gonzalez, Mr. Guzenski or Mr. Bailer starting today.

Sign Up for the Kyle Pascoe Memorial Scholarship Fund Event Day on July 27th in the 11/12 office. Many exciting events will take place throughout the day.

Students in grades 8-11: Interested in Police, Military or Corrections? See Mrs. Ross in 11/12 Guidance or your School Counselor for an application to our Law and Leadership Academy being offered this summer.

Tryouts for the 2019-2020 football and competitive cheerleading teams will take place Wednesday 6/5-Friday 6/7. Please see Mrs. Marchetti or pick up paperwork outside of the green gym girls locker room.
