Dear Delaware Valley High School Students and Families,

Welcome Back! I am excited and honored to be serving as the Delaware Valley High School Principal for the 2023-2024 school year. When I arrived at Delaware Valley 22 years ago, I was planning on making it a quick stop; however I immediately fell in love with the school and the community and wouldn't want to raise my three kids anywhere else!

As your High School Principal, I look forward to helping every student achieve his or her academic goals and further develop their co-curricular talents. It is my belief that we as a school community, improve together; therefore my door is always open to students or families for discussions, questions, or suggestions on how we can improve together. I look forward to hearing from you as we commence upon this important journey.

Throughout my 22 years at Delaware Valley, I have made it my mission to foster a positive learning environment in which all members work collaboratively to achieve excellence and have successful transitions to post-secondary outcomes. I began at DV as a physical education teacher and multi-sport coach. Eleven years ago, I made the transition to Assistant Principal where I was able to continue to work with our students and staff on a broader scale to create lifelong learners.

This upcoming year I am looking forward to leading the high school to continued success as your Principal. It has been our mission at DVHS to ensure that all students graduate from high school prepared for the demands of post secondary education or training, meaningful careers, and effective citizenship. It is truly a privilege to work with a dedicated staff and community to ensure that our students have a limitless future. Once again, welcome back! Let's make it another great year at Delaware Valley together!

Sincerely,

Mr. Louis DeLauro
High School Principal
