Dear Parents of Guardians of Delaware Valley High School Students,

As I transition to my new role as 11/12 Assistant Principal and Career and Technical Education Principal, I am looking forward to a productive and enriching 2023-2024 school year. I would like to take this opportunity to re-introduce myself to the Delaware Valley community. After my graduation from King's College (Wilkes-Barre, PA), I began my career in education as a high school English teacher in the Iredell-Statesville School District (Statesville, NC) in 1997. I was fortunate enough to be offered and accept a teaching position at Delaware Valley in 1999. While at Delaware Valley, I have served the district in numerous positions. These experiences include, DVHS English teacher (1999-2008), 11/12 DVHS Assistant Principal (2008-2012), Shohola Elementary Principal (2012-2015), and Athletic Director (2015-2023).

My family and I are honored to call Delaware Valley home. As a father of two Delaware Valley graduates, I have seen first-hand and take pride in the values that we as an administration and staff instill in all our students. Returning to a leadership position in the high school, I consider it my mission to continue the academic and co-curricular excellence that has been a hallmark at Delaware Valley.

My student-centered approach is representative in my philosophies of respecting individual differences, building trusting relationships, and providing a safe environment where all students can reach their fullest potential. With this in mind, I invite students and parents to reach out with any educational or personal concerns regarding their educational experience at Delaware Valley. Fostering this open line of communication and creating a trusting partnership will ensure all students will be able to learn in a safe, respectful environment.

Welcome Back! Let's work together as a community to make it another great year at Delaware Valley High School.

Sincerely,

Christopher T. Ross
