

DINGMAN-DELAWARE MIDDLE SCHOOL – MR. Brian McCarthy

- DDMS sent several students on a holiday shopping trip which was sponsored by the Elks Club. The students were given money to buy themselves warm winter clothing. Their parents met them during the shopping trip and were able to help them shop for clothing.
- Twenty-three Dingman-Delaware Middle School students (Grades 6 through 8) took advantage of the opportunity to participate in our after-school Engineering Club, which supports our engineering-based technology program. Over a series of weeks, the club is simulating what engineers do in their everyday jobs. Under the supervision of Advisor Anthony Comunale, participants are researching, designing, and building wooden toy helicopters, cars, airplanes, and tractors. Also, utilizing our three-D printer, they are designing and creating one-of-a-kind plastic toys. The final result was 105 toys (up from 85 toys last year) that will be donated to the Toys for Pike County Kids drive.
- On Wednesday, December 5th, the DDMS Music Department took 16 Chorus students, 18 Band students and 13 Orchestra students to radio station WSUS 102.3 to perform live Christmas music on the Kids Christmas Concert Series. Performances were LIVE on 102.3 WSUS-FM and the iHeartRadio app! It was an incredible learning opportunity and fun experience for our kids!
- The Dingman-Delaware Middle School Student Council held their annual Canned Food Drive and it was a huge success! The students and staff donated 2,093 non-perishable food items to the Holy Trinity Food Pantry in Dingmans Ferry. Mrs. Miller's homeroom won the contest by collecting 505 cans alone!
- On December 12th, DDMS held the 6th, 7th, and 8th Grade Band and Orchestra Concert.
- On December 17th, DDMS held the 6th Grade Chorus along with the Children's Choir Concert
- On December 19th, DDMS held the 7th and 8th Grade Chorus Concert
- On Friday, December 21, 2018, approximately 240 Dingman-Delaware Middle School students participated in the annual DDMS Holiday Assembly. During the assembly, the talented students of the orchestra, band and chorus ensembles performed a variety of selections from their winter concerts and also led the students in a Christmas Carol Contest
- Fire Drill: Thursday, December 20: 2 minutes, 5 seconds.
