Dear Parents/Guardians:

The Delaware Valley School Board approved a change in the student calendar at their meeting last night. **Next Friday, November 6 will be a half-day for students.** This will allow our staff to spend the afternoon working on tasks that can't be completed during a normal school day.

- Secondary students will dismiss at 11:15
- Elementary students will dismiss at 12:15
- Breakfast will be served but lunch will not be served

Thank you to the staff, students and parents who have all worked together to make the first marking period a success!

All the best,

John J. Bell
