

Ms. B.'s Buzz

Dear DDPS Families,

The end of the school year has come! It was an amazing year with an unforgettable finish. I want to thank you for your unlimited support. We appreciate your efforts and recognize our success is a result of the partnership shared with our school community. Thank you for working with your children during the school year, especially the past several months.

During the summer months, keep reading with your child and practice math skills. Our kids have done remarkable things this year despite many obstacles! Keep them learning all summer long – read menus, brochures, directions, play games, make crafts, count steps, count cars, and enjoy time together! A list of resources has been sent home and is posted on our website. Children have log-ins and can access programs using Classlink.

On behalf of our faculty and staff, I wish you and your family a wonderful, relaxing and fun summer. Take time to enjoy your children and appreciate their talents. Good luck to our second graders moving on to the Elementary school and our students leaving the district.

As always, thank you for sharing your children with us!

Kimberly A. Butaitis
Principal
