

Ms. B's Buzz...

Happy Holidays to you!

This year the holidays might look and feel quite differently than years past. The true gift this year is reflection, take **time to reflect** and **appreciate what is truly important** in life. What we have learned this past year, relationships are the heart of all we do! Focus on our well-being! It is important to remember to give your children the **gift of time**. There is no other gift that is so valuable! The **gift of time** will create beautiful memories for your children.

Thank you for all you do at home to make a difference. **Thank you** for supporting our school and our PTA. You help to make DDPS a very wonderful and special place for kids!

On behalf of the DDPS faculty and staff, I wish you the most **joyful holiday** season and a healthy and **happy New Year!**

Thank you for sharing your children with us!
