

# Delaware Valley School District

---

## Student Health Records Online

Dear Parent or Guardian:

Delaware Valley School District has elected to use the SNAP Health Portal to better connect you with your child's school health and wellness information. This web-based system provides an easy, secure, and green way for you to update and review important school health information and medical documents throughout the year. With 24-hour access over the web, you will be able to:

- Electronically sign and submit all health forms safely over the internet
- Review and update new health information such as vaccinations, health conditions, and screening results throughout the school year
- Receive notifications when there are changes in your child's health status

Instructions for accessing the SNAP Health Portal will be sent via email during the month of March. Add [noreply@studentehr.com](mailto:noreply@studentehr.com) to your email address book now to ensure proper delivery.

Sincerely,

Delaware Valley School District Nurses
