

**DELAWARE VALLEY HIGH SCHOOL**  
**2025-2026**

**VEHICLE REGISTRATION PERMISSION FORM AND CONSENT TO SEARCH**

STUDENT NAME: \_\_\_\_\_ STUDENT ID #: \_\_\_\_\_

GRADE: \_\_\_\_\_ STICKER #: \_\_\_\_\_

The following information must be completed in its entirety. The fee is \$50.00. Make checks payable to **Delaware Valley School District**. Students must submit to the school's drug testing policy in order to obtain a parking sticker.

I, \_\_\_\_\_, being the lawful owner, and I, \_\_\_\_\_, being the lawful driver of the following vehicle:

MAKE: \_\_\_\_\_ MODEL: \_\_\_\_\_

YEAR: \_\_\_\_\_ VIN #: \_\_\_\_\_

LICENSE PLATE #: \_\_\_\_\_ COLOR: \_\_\_\_\_

willingly grant consent and permission to the Principal of Delaware Valley High School or his designated agent to conduct a complete search of the above vehicle while said vehicle is located on Delaware Valley School District property.

The above individuals further have permission to take or remove from the vehicle any property and/or contraband, including narcotics and weapons, which they desire as evidence for disciplinary proceedings and/or criminal prosecution.

This consent is being given as part of my application for a permit to park the above vehicle on the property of the Delaware Valley School District and in consideration for the granting of a parking permit.

This consent is limited to any lawful investigation conducted by the Delaware Valley School District Administration and is further limited in that any search may only be conducted while the vehicle is on school property.

I understand that this consent may give rise or result in disciplinary proceedings and/or criminal prosecution in the event contraband is recovered. I also understand that parking my vehicle on school property is a privilege, not a right, and that I have a right to refuse to sign this consent, but I further acknowledge that failure to do so will result in a denial of a parking permit.

Parking stickers are not transferable to other students. If you give your sticker to another student, you will lose your driving privileges.

I have read the regulations regarding motor vehicle privileges in the student handbook and understand **the privilege may be revoked for violating any of these regulations**. In addition, **after the third (3<sup>rd</sup>) unexcused tardy to school, or third (3<sup>rd</sup>) unexcused early dismissal from school, or tenth (10<sup>th</sup>) unexcused absence from school**, I understand that my driving privilege shall be suspended for a minimum of 30 school days. **After the sixth (6<sup>th</sup>) unexcused tardy to school, or sixth (6<sup>th</sup>) unexcused early dismissal from school, or thirteenth (13<sup>th</sup>) unexcused absence from school**, I understand that my driving privilege shall be terminated for the remainder of the school year.

If I receive **one (1) out-of-school suspension or a third (3<sup>rd</sup>) in-school-suspension**, I understand that my driving privilege shall be suspended for a minimum of 30 school days. If I receive a **second (2<sup>nd</sup>) out-of-school suspension or a fourth (4<sup>th</sup>) in-school-suspension**, I understand that my driving privilege shall be terminated for the remainder of the school year. **If my privilege is taken, I am also aware that Wal-Mart will no longer tolerate student parking on their property and will tow unauthorized vehicles.**
